

Nicole Donaldson

Manager, Community Investment, Loblaw Companies Limited

Nicole joined Loblaw Companies Limited in 2007 and was responsible for administration within the Fleet department. In 2008, Nicole moved over to expand the newly created Community Investment role at Loblaw. Now ten years later, Nicole manages all corporate community investment as well as the Food Waste and Animal Welfare files within CSR. She is proud to lead the execution of the programs and donations on behalf of the company. Prior to joining Loblaw, Nicole studied Finance at Sheridan College.
